

# Ring the Steeple Bell

*A family tradition at The Universalist Church*

1

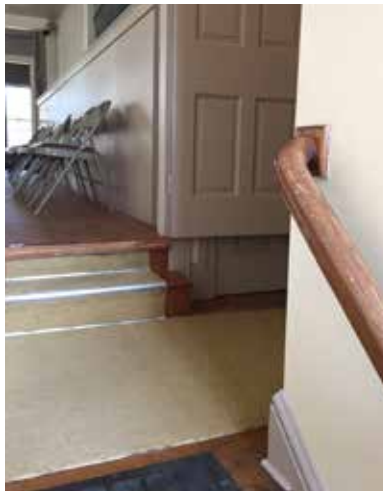

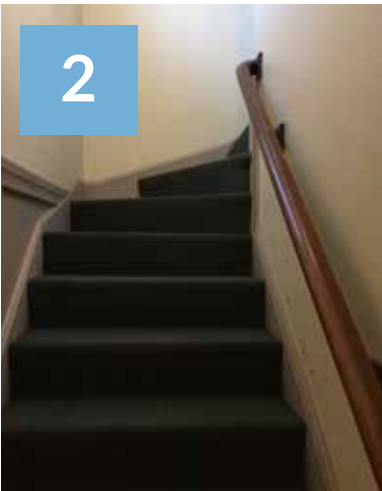

We ring our bell by pulling on the end of a long rope. The rope is located in the balcony of our sanctuary.

1. Find the door to the balcony in the front lobby of the sanctuary.

2. Climb the stairs and look for the closet on your right at the top of the landing.

2

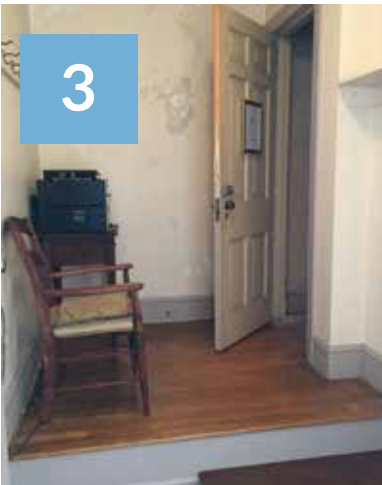

3. Open the closet door. You'll see the bell rope hanging inside.

4. Read the instructions on the inside of the door and you're ready to ring the bell!

**Safety Note:** You might see a ladder stored inside the closet. Don't climb it! Ring the bell while standing safely on the floor.
