Parent Volunteer Opportunities for 2016-2017

Ours is a cooperative religious education program. At least one parent from each church school family is expected to serve on a teaching team or participate on a religious education team or committee. Please volunteer for one of the following:

- **Teaching Team**

As a parent, teaching in the church school is one of the most rewarding things you can do for yourself and for your children. Past teachers have liked: *learning and interacting with the children, the ease of the commitment, working with and meeting other parents, and watching the children learn about being Unitarian Universalists.*

_____ will join a Teaching Team

Grade Preference: Nursery Preschool Primary Third-Sixth Junior High

- **Connections Team Social Action**

If you enjoy rolling up your sleeves and making a difference in the world, this is the team for you. It is especially exciting to lay the groundwork for the children to become more involved in social action. Monthly team meetings are on Sunday mornings.

_____ will join the Connections Team

- **Religious Education Committee and Events**

The Religious Education Committee (REC)'s purpose is to help its Director organize, promote and supervise faith development programs. This committee will seek to articulate goals and establish policies. The REC helps run Sunday morning programs and special activities such as the Christmas Pageant and Passover Seder.
